Note from the Master Board

The Master Board extends its sincere thanks to all who were able to attend the March 2026 Member Meeting and vote on the proxy. We are equally grateful to the many volunteers whose time and dedication not only help maintain our community but continually enhance the quality of life we all enjoy—it truly takes a village.

We appreciate the thoughtful feedback shared during the meeting. A list of key initiatives has been developed, and the Board will be reviewing, refining, and providing updates at the next Master Board meeting.

We are also pleased to share that Marty Murnus and Dawn Vishey have agreed to continue serving as Board President and Vice President for another year.

Volunteerism remains vital to the strength and success of our community. We encourage all residents to get involved whenever possible.

Spring Fling Success

What a fantastic night by the pool! We danced the evening away to the fabulous **Rock Nation Band** and no one went hungry thanks to the **sub**-stantial spread from Jersey Mike's, plus chips and refreshing watermelon. A huge thank-you to all the organizers for putting together such a fun and memorable evening!

NOTE: This will be the final newsletter for the winter season. Have a fabulous summer! See you in the Fall.
