Villages of Bonita

Where neighbors are friends

Welcome To The Villages of Bonita Newsletter

Wishing you a joyful Fourth of July! In 1776, we embraced the Declaration of Independence, marking our liberation from British control and igniting immense pride in our country. As we commemorate this significant holiday, let's take a moment to acknowledge our individual achievements and enjoy laughter, delicious grilled foods, and poolside fun with family, friends, and neighbors. Take advantage of the amenities at The Villages of Bonita, whether it's playing shuffleboard, tennis, or pickleball, or enjoying a game of billiards. Celebrate, have a great time, and stay safe!

Board and Committee Accomplishments

The board and committee members have been quite occupied this early summer. A heartfelt thank you goes out to the community for their patience as parts and labor are taking longer than normal! Last month saw successful projects, including the repair of fountains, irrigation systems, and maintenance of the North and South entry gates!

We appreciate the Kentwood residents who were able to participate in the bulk mulch project to beautify their homes!

A special thanks to Andy Grebe for working with the board and organizing a group of Lely football players to assist in clearing an overgrown mitigation area, which saved the community thousands of dollars.

If you're interested in volunteering, please contact a board member listed on Villagesofbonita.info website!

The VOB Newsletter is created by volunteers, for the community. Our goal is to keep you informed and ensure everyone feels included. We welcome your ideas and contributions—please send them to myharley22@yahoo.com, Attn: Dawn.
