Villages of Bonita

Where neighbors are friends

Welcome To The Villages of Bonita Newsletter

The Villages of Bonita is a vibrant community centrally located to all the wonderful offerings of Bonita Springs, FL. Here are a few things to know: We have a Facebook page (FB)! Look for: The VOB Community FB page. It was created by a resident for residents. It's fun and used for asking for help; selling items, community events, etc!

We also have a website: Villagesofbonita.info. The website contains HOA Board announcements, documents, meetings, and an event calendar plus much more. If you are having troubles logging into this website contact a board member and we can help!

Did you know The VOB has four sub communities? The Villas. Kentwood Homes, Bermuda Park, and Coach Homes. Each community is unique and offer something a little different. What we have in common is wifi and cable with Summit Broad Band and don't forget trash / recycle on Fridays!

Committee Accomplishments

The HOA board collaborates closely with community committees, and our dedicated volunteers are the heart of this effort. Even when opinions clash, we prioritize kindness, empathy, and teamwork. Together, we strengthen our community!

You'll see our members shining as they: fix lights and gates, clean equipment, paint, host social events, suggest landscaping improvements, and update documents. The board has been working diligently on a few problematic areas: Entry gates, irrigation system, fountains and trees. Thank you all for your continued patience as we tackle each challenge! It sometime feels like whack-a-mole!

If interested in volunteering,, please reach out to a board member, listed on Villagesofbonita.info

Reminder: Pegasus Prop. Mgmt manages the Master, Bermuda Park and the Coach homes. If there is a concern, complaint or issue, please email Pegasus at: heidi@pegasuscam.com

Showcasing Our Community Talent

"A stitch in time saves nine." No one embodies this better than Tere Sifre-Cestero (Villas). Tere learned the art of sewing from her mother at an early age, and over the years, she has honed her skills to create and mend clothing as well as custom pieces. Nowadays, Tere crafts a variety of delightful items for occasions like baby showers, sports events, birthdays, graduations, and more. You can often catch her playing pickleball on the courts! If you need something special, just ask Tere!
